Crude Fibre (Max)	6.0%	Added Copper (Min)	8.0mg
Added Salt (Max)	0.3%	Added Selenium (Selenomethionine)	0.3mg

Typical analysis as fed / kg

FEEDING GUIDE

- Ensure birds have continuous access to feed - do not restrict consumption. Expected adult feed intakes are 130g/bird/day.
- Self feeders designed for poultry are a good way to ensure feed is continuously available.
- Ensure birds have access to clean, fresh water at all times.
- Ensure that Barastoc Grain Mix makes up the majority of the hens daily feed to ensure a balanced diet. Other feeds such as green scraps, pasture and hay may be fed, but only in small amounts.

STORAGE REQUIREMENTS:

For optimum quality and shelf life product should be stored below 30°C and off the floor in a cool, dry, well ventilated area protected from direct sunlight.

WARNING: THIS FEED HAS BEEN FORMULATED SPECIFICALLY FOR ANIMALS AS DESCRIBED ON THE PACKAGE, OR THE LABEL ATTACHED TO THE PACKAGE, AND MUST NOT BE USED FOR OTHER SPECIES OF ANIMALS. UNSUITABLE FOR HUMAN CONSUMPTION.
